

Art, Craft, Design Development Group

Meeting 4

23rd April, 2015

Agenda:	Documentation/Discussion:
Development Group Brief	The Brief was discussed by the Development Group.
Work to date	The group reviewed and discussed all previous work on the development of the Rationale, Aims and Statements of Learning.
Strands and Elements	The group have developed the Strands and identified the Elements of each Strand for the new Junior Cycle Art, Craft, Design subject specification.
Skills, knowledge and attitudes (values)	The group used their previous work in the Strands and the Elements to discuss the skills, knowledge and attitudes (values) that would be most useful in developing the Learning Outcomes for the new specification.
The next meeting of the Art, Craft, Design Development Group is scheduled for Tuesday, 15 th September.
